3. Third-Party Services & Data Processing

We may use third-party services to help us operate our website efficiently. These providers only process your data on our behalf and are required to keep it confidential.

A. Analytics Services

We use Google Analytics 4 to monitor website performance and user engagement, personal data, browser information, device type, session statistics, and usage data

B. Displaying Content from External Platforms

Our website may include embedded content from third-party platforms: including but not limited to: YouTube Video Widget, YouTube Data API, and Google Fonts to ensure proper font display.

C. Email & Contact Management

CRM and email services may be used for managing email subscriptions and sending messages

D. Tag Management

Google Tag Manager is used to manage scripts and website analytics.

4. Sharing & Disclosure of Your Information

We do not sell or share your personal data with third parties except in the following cases:

- Legal Obligations – To comply with laws, court orders, or regulatory authorities
- Fraud Prevention – To investigate potential fraud or security threats
- Business Transfers – If ARMHEX is acquired or merged, your data may be transferred to the new entity
- Dispute cases we may encounter with the payment processors or banks

Any third-party service providers assisting us in business operations are contractually prohibited from using your data for any purpose other than providing services to us.

5. Data Security Measures

We take reasonable steps to protect your personal data, including:

- SSL encryption for secure data transmission
- Secure storage of sensitive information
- Restricted access to personal data only for authorized personnel

Important Note: No method of data transmission over the Internet is 100% secure. While we strive to protect your data, we cannot guarantee absolute security.

6. Third-Party Links

Our website may contain links to third-party websites. We are not responsible for the privacy practices or content of external websites. We encourage users to review the privacy policies of any third-party sites they visit.

7. Updates to This Privacy Policy
